

Browser Plugins

Updating plugins to the latest version ensures you can view content and protects against security threats.

PDF Support

Some Apex Learning Courses provide worksheets as PDF files. Tutorials do not require PDF support.

Some operating systems and browsers have built-in PDF support.

- [Mac OS X Preview App](#)
- [Mozilla Firefox PDF Viewer](#)
- [Google Chrome PDF Viewer](#)

Alternatively, Apex Learning supports Adobe Reader 6.0+ for working with PDFs.

- [Verify](#)

Manage Plugins

When installing or updating a plugin, it is usually enabled automatically. Occasionally, this must be done manually. Listed below are links that explain how to manage plugins for web browsers supported by Apex Learning.

- [Microsoft IE 11 Manage Plugins](#)
- [Google Chrome Manage Plugins](#)
- [Mozilla Firefox Manage Plugins](#)
- [Apple Safari Manage Plugins](#)
